

MEF UNIVERSITY,
Istanbul, TURKEY
FACULTY OF EDUCATION
ASSOCIATE PROFESSOR OR PROFESSOR POSITION

CLOSING DATE: January 5, 2018 for full screening

Faculty of Education is seeking to appoint an academic position for the Department of Mathematics and Science Education. The Program invites applications for a full-time faculty position at associate professor or professor position to start in Fall 2018. The candidate is expected to hold a Ph.D. degree in Mathematics Teacher Education field.

MEF University is the world's first and only flipped university established in 2012. The language of education is English and the teaching method employed is primarily the "Flipped Classroom/Learning" model. The prospective faculty members are expected to implement the Flipped Learning approach in all courses. In addition, they are expected to fulfill the requirements of "University within School" Teacher Education Model, which depends on university-school partnership. More information about the department and the university can be found at <http://www.mef.edu.tr/>.

- * Having a Ph.D. in mathematics education or related field and having national and international scientific studies and publications in this subject,
- ** 2 years mathematics teaching experience at secondary or high school level,
- *** having experience in managing postgraduate program development, lecturing and research projects is the reason for preference.

Curriculum vitae/Resume and names and contact information of 3 references should be submitted to the department chair and the reference address of MEF University.

Department Chair: Assoc. Prof. Zelha Tunç-Pekkan (tuncz@mef.edu.tr).
