

Staff Activities

Dr. Muhammed Sahin, from the Department of Civil Engineering, gave the following speeches/presentations,

- “The New University Model: Flipped, Adaptive, Digital & Active Learning (FADAL)” at Houston University on March 14, 2019.
- “Digital Transformation and the Future of Higher Education” at the American Education Council on March 10, 2019.
- “Everything About Education” at MEF University on March 2, 2019.

Dr. Dante Dorantes, from Mechanical Engineering Department, gave a talk to graduate students of Istanbul Technical University’s Energy Institute about laser ultrasonics as well as on ethics in research on February 22, 2019.

Paper

The paper entitled "Time - Cost Relationships for Superstructure Projects in Turkey" of **Dr. Ümit Dikmen**, from the Department of Civil Engineering, has been accepted for publication in *Teknik Dergi* on March 18, 2019.

The paper entitled “Study of Tuned Mass Damper for Attenuating Skyscraper Oscillations through Project-Based Learning” was presented by **Dr. Dante Dorantes** in the International Conference *New Perspectives in Science Education* on March 21-22, 2019.

Faculty Seminar

Dr. Canan Pehlivan presented a seminar entitled “Admission Control Policies in Loss Networks” on March 28, 2019. Canan Pehlivan received her PhD degree in Industrial Engineering from Ecole Nationale Supérieure des Mines de Saint-Etienne, France, in 2014. Prior to her PhD, she got her BSc and MSc degrees in Industrial Engineering from Bilkent University and Middle East Technical University (METU), respectively, both in Ankara, Turkey. Between her BSc and MS studies, she worked at Aselsan for three years. After her PhD study, she worked as an assistant professor in the Department of Control and Industrial Engineering in Ecole Nationale Supérieure des Mines de Nantes, France in 2015. She then worked as a visiting professor at Sabancı University in the year 2016. Recently, she worked as an assistant professor at the Industrial Engineering Department in Yaşar University. Her research interests include decision making under uncertainty and operations research applications in various fields such as logistics, healthcare, sustainable energy systems and agroecology.

Faculty Introduction

Dr. Engin Türe introduced the Department of Electrical-Electronic Engineering to the students at MEF Kariyer Zirvesi on March 17, 2019.

Dr. Özgür Özlük introduced the Department of Industrial Engineering to the students at Kariyer Zirvesi on March 2, 2019 and at Şehremini Anadolu Lisesi on March 14, 2019.

Dr. İlker Bekmezci introduced the Department of Computer Engineering to the students of Başakşehir Final Temel Lisesi on March 11, 2019.

Dr. Gökçe Tönük introduced the Department of Civil Engineering to the students at Kariyer Zirvesi on February 16 and 23, 2019 and at MEF International School on March 13, 2019.

Dr. Onur Seker introduced the Department of Civil Engineering to the students of Dede Korkut Anadolu Lisesi on March 14, 2019.

Dr. Berk Gökberk introduced the Department of Computer Engineering to the students at Kariyer Zirvesi on February 16 and 23, 2019 and at MEF University on March 13, 2019.

Dr. Seniz Demir introduced the Department of Computer Engineering to the students of Şehremini Anadolu Lisesi on March 14, 2019.

Dr. Tuna Çakar introduced the Department of Computer Engineering to the students at MEF Kariyer Zirvesi on March 17, 2019.

Dr. Tuba Ayhan introduced the Department of Electrical-Electronic Engineering to the students of Başakşehir Final Temel Lisesi on March 11, 2019.
