

Staff Activities

Dr. Muhammed Sahin from the Department of Civil Engineering made the opening speech of “Türk Medeni Kanunu’nun 90. Yılında Aile Hukukunu Yeniden Düşünmek” Symposium at MEF University on October 25, 2016.

Dr. Erhan Erkut from the Department of Industrial Engineering gave the following speeches/presentations,

- At the “Architecture Week” organized by [The Building Information Centre](#) (Yapı-Endüstri Merkezi—YEM) on October 4, 2015.
- At the meeting of [Startup Istanbul](#) at Volkswagen Arena on October 10, 2016.

Publications

The paper entitled "[Sequential Testing in Batches](#)" of **Dr. Özgür Özlük** from the Department of Industrial Engineering has been accepted for publication in [Annals of Operations Research](#).

Departmental Meetings

The Department of Civil Engineering organized an informative get together event (a pizza social) with the faculty and Civil Engineering students on October 13, 2016. The students were informed about the summer internship, Erasmus+ opportunities, and academic excellence requirements for 3+2 joint programs while they were having pizza for lunch. Mutual expectations and goals were discussed and the students’ questions were answered by the faculty members.

Faculty Seminars

Dr. Utku Günay Acer presented a seminar entitled "Network as a Sensing and an Application Platform" on October 10, 2016. Dr. Acer received his B.S. degree in Telecommunications Engineering from Sabancı University, Turkey in 2004, and his M.S. and Ph.D. degrees from the Electrical, Computer and Systems Engineering Department of Rensselaer Polytechnic Institute, Troy, NY, USA in 2005 and 2009, respectively. From 2009 to 2010, he was a post-doctoral researcher at INRIA - Sophia Antipolis, France. Dr. Acer is a Member of Technical Staff in Nokia Bell Labs in Antwerp, Belgium. His research interests include network systems, cloud computing, and distributed and mobile systems.
