

In Loving Memory of Dr. İbrahim ARIKAN

2 February 2017
Dr. İbrahim ARIKAN, the founder of MEF Educational Institutions was commemorated at MEF Schools on February 2, 2017 on the first anniversary of his passing away.

Staff Activities

Dr. Mehmet Fevzi Ünal from Mechanical Engineering and **Dr. Muhittin Gökmen** from Computer Engineering Department, along with a number of managers from different academic units related to science, industry and technology, attended a meeting with Minister of Science, Industry and Technology Dr. Faruk Özlü and CoHE President Prof. M. A. Yekta Saraç on February 8th, at CoHE Conference Hall in Ankara, in order to discuss Turkey's strategies and policies aimed at education in the field of science, industry and technology.

Dr. Erhan Erkut from the Department of Industrial Engineering gave the following speeches/presentations,

- On "Carrier Planning" to the students of MEF Lisesi at MEF University on February 15, 2017.
- At the meeting of Startup MEF on February 17, 2017.
- The opening speech of Startup Turkey in Antalya on February 23, 2017.
- Entitled "21st Century Proficiency" in the education program organized by Mehmet Zorlu Vakfi on February 25, 2017.

Publication

The paper entitled "Energy Investment Planning at a Private Company: A Mathematical Programming-Based Model and Its Application in Turkey" of **Dr. Semra Ağralı** from the Department of Industrial Engineering has been accepted for publication in the Journal of [IEEE Transactions on Power Systems](#).

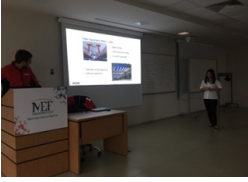

The paper entitled "Nonlinear Optimization-Based Selection of Insulation Material and Window Type: Effect of Heating and Cooling Base Temperatures" of **Dr. Semra Ağralı** from the Department of Industrial Engineering has been accepted for publication in the Journal of [Green Building](#).

Cooperation

Dr. Özgür Özlük from the Department of Industrial Engineering started research cooperation on “Sanayide Dijital Dönüşüm Platformu Eğitim Çalışma Grubu” with TTGV.

Student Groups

MEF CES (Civil Engineering Society) attended the informative seminar of Hilti Corporation's Turkey Branch on February 15, 2017. Hilti Turkey provided the students with the information about their products, engineering services, management system and the student internship opportunities.

MEF CES hosted Prof. Dr. Ahmet Sağlamer, from ENAR Engineers, Architects and Consultants on February 21, 2017. Prof. Sağlamer gave a seminar entitled "Geotechnical Problems Encountered in Hydraulics Structures" and discussed the civil engineering profession with the students.
