

Staff Activities

Dr. Muhammed Şahin, from the Department of Civil Engineering, introduced MEF University to the students at Antalya Education Fair and İmza Temel Lisesi on April 5, 2015.

Dr. Muhammed Şahin gave the opening speech at “Ekonomide Kadının Eli” Conference at MEF University on April 28, 2018.

Dr. Mehmet Fevzi Ünal, from the Department of Mechanical Engineering, gave the opening speech of Neuroscience, Law and Beyond International Congress at MEF University on April 19, 2018. The congress has been organized between 19-20 April by the Law Faculty of our University.

Dr. Erhan Erkut, from the Department of Industrial Engineering, gave the following speeches/presentations,

- “Career Planning” at İstanbul Eğitim ve Kariyer Fuarı on April 4, 2018.
- “Career Planning” at Musevi Lisesi on April 10, 2018.
- The fireside chat at Future of Work on April 12, 2018.
- “Corporate Entrepreneurship” at 16th Quality and Performance Symposium on April 13, 2018.
- “Kurumsal Dönüşüm” at Dijital Anadolu on April 25, 2018.

Dr. Erhan Erkut also acted as

- a jury member at IMECE support program on April 7, 2018.
- a jury member at AlgoRun Hackathon on April 8, 2018.
- a panelist at Global Entrepreneurship Congress on April 17, 2018.
- a moderator at HUG2018 on April 18-20, 2018.

Dr. Özgür Özlük, from the Department of Industrial Engineering, acted as a jury member in the “Make Tomorrow” competition - a digital transformation training/competition program targeting 9th, 10th and 11th grade students in our country - hosted by TTGV at Grand Pera, İstanbul on April 15, 2018.

Paper

The paper entitled “A two-stage numerical analysis approach for the assessment of the settlement response of the pre-damaged historic Hoca Pasha Mosque” of Research Assistant **Korhan Deniz Dalgıç**, from the Department of Civil Engineering, has been accepted to be published in 2018 on [International Journal of Architectural Heritage](#).

Achievement

Dr. Şefik Suayb Arslan, from the Department of Computer Engineering, appointed as an editorial board member of [Elsevier Internet of Things Journal](#).

Student Groups

MEF Civil Engineering Society (MEFCES) members have organized a technical trip to the construction site of the new Istanbul Grand Airport (IGA) on April 16, 2018. Our Rector **Dr. Muhammed Sahin** and **Dr. İrem Zeynep Yıldırım**, from the Department of Civil Engineering accompanied the students during the organization. About 30 students attended the technical trip, listened to the IGA presentation and had the opportunity to ask questions about the Project.

MEF Civil Engineering Society has organized a professional talk with Dr. Tolga Tonguç Değer who is one of the practitioner advisors of MEFCES on April 19, 2018. Dr. Değer shared his construction industry experiences with the student group.

A group of MEF Civil Engineering Society (MEFCES) student members visited the Semiha Şakir Orphanage on April 20, 2018. MEF students threw a party for the orphans. This was a joint event organized in cooperation with MEF Responsibility Student Club.

MEF Civil Engineering Society (MEFCES) members have organized a technical visit to the construction site of Göztepe Training and Research Hospital on April 26, 2018. Dr. Gökçe Tönük from the Department of Civil Engineering accompanied the students during the technical trip. Students could observe a seismic isolator and were informed about the working mechanism of the seismic isolators.

Faculty Introduction

Research Assistant Korhan Deniz Dalgıç, from Department of Civil Engineering, introduced Engineering Faculty to the students from Muğla Anadolu Lisesi, Muğla Teknoloji ve Kültür Koleji and to those attending Muğla Üniversite Tercih Günleri fair.

Meeting

On April 7, 2018 Saturday, an External Constituent Meeting of MEF University was held with Prof. Lerzan Özkale of the Business Department of the Istanbul Technical University acting as moderator. This meeting, along with the previous Internal Constituent Meeting which was held on March 24, 2018 is an effort towards preparation of our University's Strategic Plan. The meeting was carried out by 87 participants from various universities, companies, professional societies and non-governmental organizations as well as our students expected to graduate in June 2018 and representatives of our students' parents.

The External Constituent Meeting was attended by,

as representative our graduating students in June 2018; Büşra Koç from the Mechanical Engineering, Caner Pehlivan from the Electrical and Electronics Engineering, Burak Öztürk from the Civil Engineering, Nogay Küpelioğlu from the Computer Engineering, and Ahmet Melik Öztürk from the Industrial Engineering Programs;

Meeting

As a representative of the parents of the engineering students Murat Demir;

As representatives of academy from other universities; Professors Erkan Ayder and Müştak E. Yalçın, from the İstanbul Technical University; Professor Atilla Ansal from Özyeğin University; Assoc.Professors Elif Karslıgil from Yıldız Technical University; Ahmet Beşkese from Bahçeşehir University and Nihan Atalay from Mimar Sinan University;

As representatives of the industry; Barbaros Günay from Microsoft; Dr. Evren Güney from Akampüs; Mustafa Nebil from NEBİL Proje Mühendislik; Ali S. Akurgal from AKURGAL Danışmanlık and Assoc. Prof. Ümit Dikmen; and E. Füsün Sümer from Chambers of Civil Engineers İstanbul Branch.
