

## Staff Activities

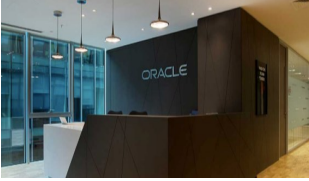

**Dr. Muhammed Şahin**, from the Department of Civil Engineering, attended the "Yükseköğretimde Dijitalleşme" meeting at Turkish Higher Education Institution on November 1, 2018.

**Dr. Muhammed Şahin**, gave a speech on Flipped Learning 3.0 Global standards summit at MEF University on November 13, 2018.

**Dr. Mehmet Fevzi Ünal**, from the Department of Mechanical Engineering, attended a meeting organized by the Higher Education Quality Council on the establishment of an internal quality assurance system in higher education institutions and quality processes in education, on November 28, 2018. The meeting was attended by around 450 people from higher education institutions and national accreditation agencies, including university rectors, vice rectors, representatives of universities' quality committees.

**Dr. Dante Dorantes**, from the Department of Mechanical Engineering and Dr. Burak Kuzucu from Oracle's Business Development and Emerging Technologies, met and agreed to collaborate on the European Union CEPHEI project to develop innovation content for enterprises on November 10, 2018.

**Dr. Özgür Özlük**, from the Department of Industrial Engineering, gave a talk to high school students at Ayazaga Isik Fen Lisesi on "Digital Future fueled by Data Analytics" as a part of "Bilim ve Teknoloji Bulusmaları" talk series on November 22, 2018.

## Student Activities

Industrial Engineering Senior Students visited EKOL Logistics Lilyum Facilities on November 23 and 30, 2018. They observed the warehouse technologies that are used for a retailer and analyzed the required information systems. This visit is organized by **Dr. Semra Ağralı** as a part of Information Systems course, and it is supported by Industrial Engineering Club (EMK). **Dr. Hande Küçükaydın** supervised the 30th November visit.
